

See How Videre Benefits Patients

LOWER PATIENT COSTS

Patients are becoming more sensitive to healthcare costs

AVERAGE PATIENT DEDUCTIBLE: **\$1,300**

↑ 67% IN THE PAST FIVE YEARS.

Eliminate excess patient fees

\$300 AVERAGE OUTSIDE FACILITY FEE

\$0 VIDERE ON-SITE ULTRASOUND

Videre on-site is less expensive

On average, other diagnostics are

3x MORE EXPENSIVE

than the average cost of ultrasound

Other Diagnostics: CT, MRI, MRA, Angiography, Nuclear Medicine

CLINICAL QUALITY

Videre® is accredited with the American College of Radiology® and the Intersocietal Accreditation Commission®

That beats **92%** of our competitors

Our expert Sonographers are credentialed with the American Registry of Diagnostic Medical Sonographers®

Ultrasound is safer, less invasive, and requires no radiation

Videre uses technologically advanced ultrasound systems to produce clear images
