

# See Videre's Advantages for Physicians

800.890.2813 [videre.com](http://videre.com)

## ADDITIONAL PRACTICE REVENUE

Capture ultrasound revenue and promote growth for your practice

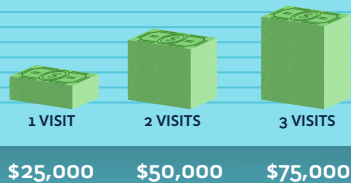

### VIDERE'S PRACTICES

CAPTURE AN AVERAGE OF **\$25,000** ADDITIONAL ANNUAL PROFIT PER SERVICE VISIT

Greater patient satisfaction means increased patient retention for your practice

- ✓ Expanded practice service offerings
- ✓ Lower patient costs
- ✓ Improved care & compliance
- ✓ Superior patient convenience

### PROFIT PER WEEKLY HALF-DAY SERVICE VISIT\*

\*Estimated profit based on average reimbursement for 8 exams per visit

## BILLING EXPERTISE AND SUPPORT

provided to help with reimbursement

## QUALITY DIAGNOSTICS

Videre® is accredited with the American College of Radiology® and the Intersocietal Accreditation Commission®

That beats **92%** of our competitors

Our expert Sonographers are credentialed with the American Registry of Diagnostic Medical Sonographers®

Clinical leadership through ultrasound education and an active quality assurance program

Videre uses technologically advanced ultrasound systems to produce clear images

## PHYSICIAN CONTROL

Providing diagnostic exams on-site fosters better relationships between providers and patients

**1 in 3 test results can be missed, leading to:**

- ✗ Delays in patient care
- ✗ Increased health risks
- ✗ Greater costs

Patients are more likely to follow through with on-site diagnostic exams

With Videre on-site, Physicians can:

- ✓ Improve the experience of medical care for patients
- ✓ Advance the health of patient populations
- ✓ Reduce the per capita cost of healthcare

## CONVENIENT SERVICE

Fewer scheduling hassles related to referring patients out for ultrasound

Add-on exams can be performed on the same day as scheduled service visits

Operational support provided to assist with scheduling, reports, and images

Top quality interpreting physicians provide you with timely results you can trust

Final Reports are delivered within 24 hours of the exam
